High school exchange in Argentina

SCHOOL EXPERIENCE

Students are hosted by Argentinean host families who wish to share their everyday life with an international student. We place our students in the province of Córdoba, and eventually in the provinces of Buenos Aires, Salta, Jujuy, Catamarca, Santa Fé, and in smaller cities in Patagonia.

International students take advantage of their stay in Argentina to discover its rich culture, made of Latin American and European influence, and its geographical diversity. We place our students in good-quality public schools in small cities, or semi-private and semi-public schools (private schools on request) in bigger cities. Placements in more expensive private schools may also be requested for an extra cost.

Students enjoy afternoons or mornings taking tango classes or Spanish courses or practicing sports in various clubs. Students can visit sub-Antarctic rainforests in Patagonia, tropical jungles in the northeast, mountains, sandy beaches, deserts, or the incredible "Iguazú" waterfalls. Students are usually offered excursions to Patagonia or Argentina's Northwest during their stay for an extra fee.

SCHOOL SYSTEM

Education in Argentina is divided into three tiers: Preschool education (one grade, from age 5); Primary education (seven grades, from age 6 to 12); and Secondary Education (five grades, from age 13 to 17/18). At the end of the mandatory Secondary Education cycle, students leave school with the certificate of secondary graduation, ready to enroll in higher education.

Secondary school students attend the following mandatory courses: Natural Sciences, Social Sciences, P.E., Mathematics, Spanish Literature, Foreign Language (English), Music, Technology and Economy. However, other subjects are based on an individual school's offerings: Technical Drawing, Biology, Physics, Plastic and Visual Arts, Chemistry, French, Italian, Latin, etc. Most schools go from 08:00 am until 01:00 pm. Some schools go from 01:30 pm until 06:30 pm.

Graduation is not possible.

We also offer international students the opportunity to attend a short-term homestay and school integration program in Argentina (8 to 12 weeks).
