HIGH SCHOOL ABROAD

High school exchange in Canada

SCHOOL EXPERIENCE

Students live with a Canadian host family and attend the local public or private high school. We offer two different programs:

International students become an integral part of the school community when they get involved in the school's sports, arts, and cultural teams and clubs. Nacel offers programs in Western Canada (Winnipeg, Manitoba) as well as in Saskatchewan.

School placements:

- Seven Oaks School District

Nacel Canada is the exclusive exchange organization appointed by the Seven Oaks School District in Winnipeg to place students in three schools and with Nacel host families in this area.

- Collegiate at the University of Winnipeg

Nacel Canada has an exclusive partnership with the Collegiate at the University of Winnipeg to welcome international students into Nacel families during their studies at the Collegiate.

- Saskatchewan

Nacel Canada also places international exchange students in Saskatchewan.

- Short-term High School experience

We also offer international students the opportunity to attend a short-term non-credited homestay and school integration program in Winnipeg, Manitoba (from 8 to 16 weeks).

SCHOOL SYSTEM

Education in Canada is generally divided into Elementary (Primary School or Public School), followed by Secondary (High School) and Postsecondary (University or College). The curriculum consists of an academic program with English or French, History, Mathematics etc. and an optional part that can be varied depending on the school.

Graduation is possible.
