Homestay Immersion in Italy (native English speakers only)

HOMESTAY EXPERIENCE

The short-term homestay program offers teenagers opportunities to experience the **everyday life of a host family in Italy**.

Within this program, students are completely immersed in the **Italian language** and do not have opportunities to speak their own mother tongue: this allows a quick improvement of the language skills. Students get the unique opportunity to discover a new way of life and a new culture first hand, not like a tourist!

The homestay program is the most affordable language travel! This program is ideally suited to mature and independent students, eager to meet new people from abroad and with enough language proficiency to communicate with host family members.

The **pure homestay program** is not recommended for a first experience abroad, because family integration can be challenging for inexperienced students. Students are not able to choose a specific location as the primary goal is to match a student with a host family in terms of interests, hobbies etc. The pure homestay program is a **true cultural exchange**.

Students improve their knowledge of the Italian culture and language through **active participation in family and community life**. The program gives students an opportunity to spend a certain period of time living with an Italian volunteer family.

EXTRA ACTIVITIES

Students do not attend language classes or group activities. This is a pure immersion program and students are invited to **join their host family's daily activities**. The participant should have spending money to cover these extra costs.
