Homestay Immersion in Spain

HOMESTAY EXPERIENCE

The short-term homestay program offers teenagers opportunities to experience the **everyday life of a host family in Spain**.

Within this program, students are completely **immersed in the Spanish language** and do not have opportunities to speak their own mother tongue: this allows a quick improvement of the language skills. Students get the unique opportunity to discover a **new way of life** and a **new culture** first hand, not like a tourist! The homestay program is the most affordable language travel!

This program is ideally suited to **mature and independent students**, eager to meet new people from abroad and with **enough language proficiency** to communicate with host family members. The pure homestay program is a **true cultural exchange**.

Students are not able to choose a specific location as the primary goal is to match a student with a host family in terms of interests, hobbies etc. Host families come from varied social and economical backgrounds and live in a variety of locations (in a big town, in a small city, in a village or on a farm...). Wherever the student's host family lives, there are wonderful things to discover and absorb.

Our host families are interested in sharing the daily life with their guests from abroad. They offer students a great opportunity to immerse themselves in Spain and its culture.

EXTRA ACTIVITIES

Students do not attend language classes or group activities. This is a pure immersion program and students are invited to **join their host family's daily activities**. The participant should have spending money to cover these extra costs.
