HIGH SCHOOL ABROAD

High school exchange in England, Dorset, A-Level

SCHOOL EXPERIENCE

The College welcomes over 7000 students from across the region and is located on Dorset's Jurassic Coast, which is **England's first natural heritage site**, and was the venue for sailing events at the 2012 Olympics. It is only two and a half hours from London city center by train

The school offers **excellent study facilities** as well as a theatre, a restaurant, a Skills Center, a Media Centre as well as two sports centres. The College **outdoor adventure activities** include sailing, kayaking, canoeing and climbing. The College is so close to the beach that students can go there with their packed lunch or jump into the water after class! It is also at walking distance to the city center.

The College offers **academic courses** such as the A-Level but also a good range of vocational courses. The College staff provides weekly tutorials to support international students with their studies, as well as English support classes and University guidance.
