FRENCH COURSES

We offer an intensive language program (15 hours per week) intended for students who need to deeply improve their French skills. Classes take place at the boarding school.

The French classes are offered from beginner to advanced levels. All students attend a language test on arrival to make sure they attend the correct level course. You receive a certificate at the end of your course. Classes are taught in an attractive manner for teens: they focus on oral communication using songs, TV shows, films and magazines. Teachers use fun activities to teach grammar and vocabulary. Teachers are University graduates and experienced to teach French to teens.
