## High school exchange in Spain

### SCHOOL EXPERIENCE

International students are hosted by a Spanish host family and attend regular classes in a local public, concertado or private high school. Secondary school days are from 8.00am to 2.45pm throughout the school year; there is a half hour break starting at about 11.00am or two breaks of 15 minutes each. Some schools offer optional workshops/extracurricular activities in the afternoon.

### SCHOOL SYSTEM

The educational system is divided into three stages: elementary education (from 6 to 12), secondary education (from 12 to 16) and the "Bachillerato" (from 16 to 18). In secondary school, the mandatory core subjects are: Natural Sciences, Social Sciences, P.E., Plastic and Visual Arts, Spanish and Literature, Foreign Language (English), Mathematics, Music and Technology.

During the two years corresponding to the "Bachillerato", students must take P.E., Philosophy, Spanish and Literature, Foreign Language and History. Three more optional subjects can be added,

based on the school's offer: Technical Drawing, Biology, Physics, Chemistry, Mathematics, Latin, Greek, etc.
