French courses for High School students in Paris, Residence

Our camp combines French language courses with a program of activities and visits. Students attend French language courses in the mornings and a complete program of activities and excursions in the afternoons. This program is international, welcoming students from all over the world.

The program includes half board. Students are expected to buy their lunch.

CULTURAL PROGRAM

A Nacel guide and counselor will help the students with their everyday life in Paris and with local guided visits and activities (included in the package, the program is subject to changes).

° Visit the Eiffel Tour
° Cruise on the River Seine
° Visit of the Louvre Museum
° Visit of Versailles Castle and Garden
° Visit of Montmartre and the Sacred Heart Basilica
° Visit to an amusement Park (Asterix or Disneyland)
° Choice of walks in several famous Parisian neighborhoods "quartiers" (quartier latin, Champs Elysées, Montmartre, etc..)

FRENCH COURSES

We offer an intensive language program (20 lessons per week) intended for students who need to deeply improve their French skills.

French courses are offered in small groups of 6 to 15 students.
Levels go from beginner (A0) to intermediate (B1).

Lessons cover all aspects of the French language: reading, writing, listening, speaking, and understanding (days and times may vary).

This intensive course is particularly efficient for students who start a school year exchange in France.

The course is offered from **August 10 to 23rd August 2025**.

Location : Paris

Boarding : Half board

Accommodation : Residence

Length : 2 weeks

Type : French courses and activities - residence

⊕

The aim is to improve language skills through the discovery of French culture and history thanks to visits, excursions and activities.

Application deadline : At least 4 months before program starts.

Requirements : Minimum language level: false beginner A0 to B1.
