### French summer camp in Switzerland

Give your teen a true French immersion summer experience in Lausanne, Switzerland, on the beautiful Swiss Riviera by Lake Geneva. This all-inclusive residential camp combines morning French classes in small groups with a full program of sports, cultural outings, and adventure activities in the afternoons and evenings—so students learn fast while having an unforgettable summer.

A key strength of this camp is the immersion approach: when students choose French, lessons, meals, and activities are conducted in French, encouraging continuous practice throughout the day.

#### FRENCH COURSES

Students follow 17.5 hours of French per week with native French-speaking teachers, using engaging methods that build confidence, pronunciation, and real-life communication. A placement test on the first day ensures students are grouped by level (from beginner to advanced). Optional individual lessons can be added for extra progress or exam preparation.

#### ACTIVITIES

The camp includes an exciting weekly schedule (around 19 activity sessions per week) with a wide variety of options such as waterpark experiences, sports, outdoor adventures, cultural visits, and excursions—so there's never

time to get bored.

#### ACCOMMODATION & MEALS

Students stay in a friendly boarding residence (separate floors for girls and boys) in comfortable single or double rooms, with full board provided. Meals follow healthy nutrition standards and are designed to support students' well-being throughout the program.
