Lessons are taught in Spanish, giving you the chance to practice the language naturally while learning to surf and making new friends.

- 2 hours of surfing every weekday
- Qualified instructors (approximately 1:7 ratio)
- Surfboard and wetsuit included
- Lessons delivered in Spanish
- Opportunities to interact with local Spanish teenagers

SPANISH COURSES

Study Spanish for 15 hours per week at an Instituto Cervantes-accredited language school in central Gijón. Classes are small, with a **maximum of 12 students**, and designed for teenagers with an A1-B1 Spanish level.
Interactive lessons focus on practical communication, helping you develop your speaking skills and confidence. Put what you learn into practice while surfing, exploring Gijón and spending time with your host family.
