SUMMER CAMPS

Japanese summer course in Fukuoka, Kyoto and Tokyo with activities, Residence or Homestay

DESCRIPTION

Participants will have the opportunity to enroll in a **Language course with Activities** in the city of Fukuoka. **Kyoto** and **Tokyo** are also offered.

During their stay in Japan, students will receive language courses at our school in Fukuoka. This school has all the modern facilities and group of qualified professionals in the education field. Every year, students from all across the world join this program, as it offers effective structured Japanese Lessons, as well as cultural activities with a glimpse into the day to day Japanese life style. Our Language Courses in Japan run during the summer time.

Activities are always planned in the afternoons and Saturdays.

As a student of our language course (20 lessons per week - beginners welcome), you will have also to attend 3 "Experience classes" each Saturday to discover the tea ceremony, Japanese pottery, manga drawing, cosplay courses and more! Other activities arranged daily on weekdays as well.

Extra activities and excursions in Japan are offered at an additional cost. The school may offer a variety of excursions, including an overnight stay on a farm, a day trip tour of Nagasaki or a weekend trip to the world's biggest caldera for example! The local staff also runs barbecues, visits to local festivals, and more, depending on the season. For example, they regularly visit Mt. Aso (the largest active volcano in Japan), Nagasaki, a pottery workshop for hands-on practice, and a soba noodle workshop.
